

Certificate of Internship

11th September 2022

This is to certify that **Meena Alekhya** worked at SmartTerra as an Intern in Mobile/Web Development from July 2022 to August 2022.

Her responsibilities and experience included the following.

- React Native frontend development for Android for login/logout functionality
- Connecting the frontend to an authentication API
- A mock homepage after logging in

SmartTerra sincerely thanks Meena for her commitment to the project and team spirit.

Thanks,
